John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, People Buy You: The Real Secret to What Matters Most in Business, Jeb Blount, The ultimate guide to relationships, influence and persuasion in 21st century business. What is most important to your success as a sales or business professional? Is it education, experience, product knowledge, job title, territory, or business dress? Is it your company's reputation, product, price, marketing collateral, delivery lead times, in stock ratios, service guarantees, management strength, or warehouse location? Is it testimonials, the latest Forbes write up, or brand awareness? Is it the investment in the latest CRM software, business 2.0 tools, or social media strategy? If you want to know the real secret to what matters most in business, just look in the mirror. That's right, it's YOU. Do these other things matter? Your ability to build lasting business relationships that allow you to close more deals, retain clients, increase your income, and advance your career to rise the top of your company or industry, depends on your skills for getting other people to like you, trust you, and BUY YOU. This break-through book pushes past the typical focus on mechanics and stale processes...
