Brand New Book ***** Print on Demand *****.Excerpt from The Book of Psalms, Vol. 1: A New Translation With Introductions and Notes, Explanatory and Critical The Second Edition of this work will not be found to differ very materially from the First. I have made a few additions, more particularly to the Critical Notes in some of the earlier Psalms; and I have corrected errors wherever I have discovered them, or where they have been pointed out to me by friends. All the references have been carefully revised. Many of the apparent mistakes in the references of the First Edition were due to my having used the Hebrew Bible, without taking due care to mark where the Hebrew division of chapters or verses varied from the English. Where these differ, it will now be found, I hope, that both references are given, those to the Hebrew text being enclosed in square brackets. If, however, the double reference has still been omitted in some cases, it may be borne in mind that in all Psalms which have an inscription, the inscription is reckoned as a verse (occasionally as two verses) in the Hebrew text, whereas this is not the case in the English. Consequently the first verse in the English may be the second or even the third in the Hebrew, and so on all through. In the Critical Notes the references are always to the Hebrew text.
