## THE COMBINED SPANISH METHOD (PAPERBACK)

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.PREFACE. PROFESOR DE TORNOSS Combined Spanish Method, first published thirty years ago, has won for itself an established position among students of the Spanish language. After the test of use and competition for a quarter of a century, it still continues to be the most satisfactory book of the kind in the hands of the public. Nevertheless, the extensive modification of Spanish orthography by the decrees of the Real Academia Espamla, enacted some years ago, has necessitated further revisions in accordance with these changes. The object of the present edition is to preserve the unquestioned advantages possessed by the original work, and at the samc time to make it conform entirely to the rulings of the Academy, in order to meet the demands of the modern student. Since many of those who are to use the method will do so with the view of travel or residence in some of the Spanish-American countries, special attention has been devoted to a consideration of the American variations from Castilian Spanish in the matter of pronunciation. However, there has been no departure from the grammatical principles laid down by the Academy. The written language is the same everywhere, save that the speech and literature of each country have adopted many words of native origin. It will be found expedient to acquire first the true Spanish word, and afterward to take np the native variant. June, 1899. IT is an undoubted fact that in teaching, not only languages, but any other science or art, there neither is, nor can be, any other method than that of uniting theory with pactice and the various modes of applying the one to the other,...
