Hesperus Press Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 194 x 122 mm. Language: English . Brand New Book. Stendhal (1783-1842), the pen name for Marie-Henri Beyle, is remembered today as one of the originators of the modern novel and a founder of realism. During his lifetime, however, he was reputed to be a religious dissident and was perhaps best known as a fervent supporter of Napoleon. This major new biography traces Stendhal s gradual evolution into a writer following the defeat and exile of his political hero. Stendhal s politics, ambitions, and many passionate love affairs are all addressed along with his complex relationship with his younger sister, Pauline.
