Anyone interested in influencing fellow human beings can benefit from this book s wise and practical advice. It s a keeper! --William Ury, Harvard Law School, Coauthor of the best-selling Getting to Yes The ability to influence people s thoughts and feelings, to generate their buy-in, has emerged as the paramount leadership skill. The strongest leaders are those who create a positive vision of the future, paint a big picture that generates action by tapping into people s emotions, ask for a commitment, and inspire their listeners to take steps toward the goal. Generating Buy-In: Mastering the Language of Leadership will help you master the powerful language that breeds such a commitment. Through real-world case studies and exclusive interviews, Generating Buy-In imparts a revolutionary yet practical approach to: * Crafting a strategic story that projects a positive future to your audience * Speaking the language of buy-in with images that mold powerful thoughts and emotions in your listeners * Putting the language to work in service of your goal -- whether the goal is to raise sales, inspire a work force, or win a Presidential election. This book unlocks secrets top leaders have applied through the ages. Instinctively you know that Mark Walton has hit the bulls-eye, because it feels right in your heart and your gut. Wonderfully simple and effective! -- Ron Kirkpatrick, National Manager, Toyota Motor Sales, USA Complete with examples, practical exercises, sample business scenarios, and a foreword by William Ury, coauthor of the bestselling Getting to Yes, Generating Buy-In is an indispensable resource for leading and succeeding in today s fiercely competitive world!.
