

The University, in National Life (Classic Reprint) (Paperback)

Filesize: 2.11 MB

Reviews

It in one of the best publication. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication i have got go through within my own existence and could be he greatest pdf for ever.
(Dr. Anya McKenzie)

THE UNIVERSITY, IN NATIONAL LIFE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The University, in National Life Whether a large increase in the number of University graduates, exercising an influence on the educational system of the country, will be a benefit to the State, depends upon the way in which the Universities conceive and discharge their function. If the main energies of teachers and taught are concentrated upon examinations and these examinations are framed in a narrow and specializing spirit, if teaching is dogmatic and learning parrotlike, if it is possible for students to pass through a University without having been brought to the point of view from which learning is regarded in Von Humboldt's words as something not yet revealed and never quite revealed, if specialization is carried so far that neither Art nor Philosophy, the two all-pervading influences in any truly liberal education, enter into the ordinary work of the ordinary student, then very little will be gained by the enlargement or multiplication of our Universities. Whether their main business be literary or scientific they will have failed if they cannot do more than this, to give to the country what it should ask and receive from an institution claiming to rank as a University. The mere aggregation under a single constitutional umbrella of a Training College for Teachers, a Medical School, and a Technical Institute does not ensure the presence of those qualities which we associate with the University tradition. To enable a teacher, a doctor, or an engineer to obtain a minimum professional qualification is a useful function which may well be discharged in a University, but it is not in itself a University function. The...
