

Civil Society for Sustainability

By Ortwin Renn

Europäischer Hochschulverlag Jul 2012, 2012. Taschenbuch. Book Condition: Neu. 210x148x mm. This item is printed on demand - Print on Demand Neuware - Civil society and its organisations (CSO) play a vital role in the implementation of and social change towards sustainable development (SD). Civil society actors exhibit special features: They are to a large degree driven by visions and ideals, they place a focus on common action thus balancing individual and collective goals. CSO participate in and initiate as well as organise discourses about SD in society. Through their activities, social capital is built, maintained and increase. CSO provide and share a non-economical, non-efficiency driven world view to the implementation process of SD. This guidebook gives an insight to the impact of CSO on governance processes towards SD from three different viewpoints: olTheoretical perspectives on Civil Society and Sustainability reflects on theoretical concepts of Civil Society and its contribution to SD. Case studies from practice on Civil Society and Sustainability give insights from Implementation Practice and shows tools and methods. Examples from collaboration between Science and Civil Society show how science and civil society can cooperate for innovative concepts of reaching SD. Case studies and examples are the combined results of the research project 'Civil Society for Sustainability', funded...
