

What Is Biblical Preaching Basics of the Faith

By Eric J. Alexander

P & R Publishing. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 8.5in. x 5.3in. x 0.1in. Is a preaching-centered ministry truly useful in today's society? Alexander argues through this booklet that biblical, expository preaching is as central to any church's activity as Scripture is to its life, and explains why a focus on such preaching is more important than ever. Divided into eight main sections, this helpful resource deals with such subjects as the characteristics of expository preaching, its urgency in the church today, and the need for it to be pastoral, clear, and relevant. Basics of the Faith booklets introduce readers to basic Reformed doctrine and practice. On issues of church government and practice they reflect that framework -- otherwise they are suitable for all church situations. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
