## WHOS HIDING IN YOUR ADDRESS BOOK INTRODUCING THE IDEAL NETWORK FOR SUCCESSFUL WOMEN

Robert Reed Publishers. Paperback. Book Condition: New. Paperback. 150 pages. Dimensions: 8.8in. x 6.0in. x 0.3in. How incredible would it be if, when we are looking for that great business partner, new client or publicity opportunity, it could easily be a couple of ideal connections away? Gone is the frustration of having to make big things happen by ourselves. We have a staff now - several of whom have been hiding in our address books for years. We didn't know we had such talent because they've been buried behind a letter of the alphabet just taking up white space. In this book, Kurek introduces the Ideal Network System that allows us to pull these fabulous helpers into active duty by organizing them in a way that is unique to the user. Once organized, they become a business woman's best resource for developing ideas, masterminding a career change, launching a business and enriching other people's lives. Which, is what makes it ideal. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
