

Out from the Pleiades: A Picaresque Novella in Verse (Paperback)

By Leslie McGrath

Jaded Ibis Press, United States, 2014. Paperback. Book Condition: New. Professor Rachel May (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. A rollicking, raucous, new myth, a classic. A lyrical exploration of how a bully comes into being. Why didn't I get a Barbie Dreamhouse for Christmas? So asks Mina immediately after wondering if she's a racist because she's white too. Priorities, place and position move our hero from well-meaning child to disconcerted bully, borne by a fear of impotence in the world as she tests her own privileged, small power over others. Out From the Pleiades is a rich romp, chockfull of feel-good details and enough unanswered questions to make anyone secure in their moral center come, a tiny bit, undone. Ride in Mina's yolk-colored Subaru as she toes the surfaces of high school, passing through the stoic suicide of Ginger, until our war protestor comes full circle to the uncharted depths of Yes in soldier Violet's golden eyes - and discovers the harsher power of love's undoing. -Amy King, poet, I Want to Make You Safe and Slaves To Do These Things Leslie McGrath...
