A discussion of various contemporary evangelical views of genocide in the Old Testament. Christians are often shocked to read that Yahweh, the God of the Israelites, commanded the total destruction---all men, women, and children---of the ethnic group know as the Canaanites. This seems to contradict Jesus' command in the New Testament to love your enemies and do good to all people. How can Yahweh be the same God as the Father of our Lord Jesus Christ? What does genocide in the Bible have to do with the politics of the 21st century? This book explores, in typical Counterpoints format, the Old Testament command of God to exterminate the Canaanite population and what that implies about continuity between the Old and New Testaments. The four points of view presented on the continuity of the Testaments are: * Strong Discontinuity --- C . S. Cowles * Moderate Discontinuity --- Eugene H. Merrill * piritual Continuity --- Tremper Longman III * Eschatological Continuity --- Daniel L. Gard The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.
