By Allam Ahmed, George Siantonas, Nicholas Siantonas

Greenleaf Publishing. Paperback. Book Condition: new. BRAND NEW, The 13 Key Performance Indicators for Highly Effective Teams, Allam Ahmed, George Siantonas, Nicholas Siantonas, An organisation's most important asset is its people. And critical to an organisation's success is the extent to which its people interact effectively - both with each other as team members and with the wider organisation. This is why managing teams has become a key area for a growing number of organisations around the world. While many organisations are world-class at managing their materials and machinery, they fall short in managing the human side of their activities. This book outlines the challenges faced by both team leaders and team members in 21st-century workplaces. It proposes 13 key performance or "team health" indicators for highly effective teams based on research data collected from a large range of industry sectors, team sizes and organisations in the UK. It contributes to the understanding of the nature and functioning of team cohesiveness by describing teamwork as a multi-component variable and identifying the factors that impact on teams and the implications of teamwork for organisations. The book sets out to aid organisations by introducing a Team Performance Diagnostic (TPD) tool. The TPD...
