*****.Ecosystem Ecologist examine physical and biological structures and examines how these ecosystem characteristics interact with each other. *Though targeted at the young people of Saint Lucia this book presents career guidance information that may be used by anyone - the young and the old (in search of that second career) as well as anyone living outside of the Caribbean Island.*Too many people do not know what career path to follow; or having decided on a career are not sure on how to achieve the goal. These books target all young people: those at Secondary (high) Schools as well as those in prison, at remedial school, or drop outs. A mistake in ones youth should not be a deterrent to anyone achieving their career goals.*The intention, as with all these books is to provide information in an easy to absorb manner.*The series speaks to the reality of funding, encourages entrepreneurship and speaks frankly to the job opportunities that exist for the chosen career.*This is an excellent resource for the youth that is worth sharing!
