Diffraction of a Dream is the journey of a woman s soul in love who follows her heart to find the man with whom she is in love in her Dream. This tenacious soul is determined to walk towards the impossible. Through the magic path of poetry the soul follows the intricate, billowy pattern of passionate loves in her path of life Then all my words and utterances have always / Been meant for you; and finally reaches the glory of self-knowledge, For the days of the bleeding rose are gone self-sufficiency and self-triumph Making the real / Come into surface / Out of nothing at all. Nature, everything around, the Moon, the Sun, the stars, the breeze even the gems conspire to her journey, in this act / in this play. Could it be the glittering breeze of the Sun the beauty around oneself where the Dream...
