It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.A soccer enthusiast, Edgar Schalk traveled a great deal to behold the matches of the Feyenoord team. His goal was to be a spectator from among the home crowd fans, watching the game up close rather than from a distance. He tried various means by which to gauge the experience and the reception of the Feyenoord team, and also to discover how these games compare to other home games. This is an adventurous journey among the major league clubs that the Rotterdam Club and the Legion visit during Feyenoord's memorable season in 2010 to 2011. Will Schalk succeed in getting his tickets in order to accomplish his mission? Home against Feyenoord is the debut of Edgar Schalk (1976). He is among the silent supporters of Feyenoord. He was not always present in De Kuip, but he is unconditionally loyal and compassionate to the people's club. This marketing professional describes his experiences within these pages for those who have the same interests, as well as for those old-school soccer fans. His similar passion for ground-hopping gave him the idea for this trip throughout the Netherlands. It is an adventure that he would like to share with others.
