Traffic in land, there/ore, is nothing more and nothing less than a traffic in a kingly prerogative, and an extension of the divine right to rule the earth and man into the domain of trade; and by which the victim of misrule gains nothing when he changes his nominal ruler from a prince of the blood to a president or governor, who like himself is subject to the trade king. In the evolution of civil law the right of private property prescribed limitations to the barbaric law of the stronger. Its influence in civilization has been incalculable. Its own limitations have been slowly discovered and more tardily applied, until its abuses have become intolerable, and as obstructive of human progress as was at any time the law of brute force, which it so largely modified. The dominion of property over man s person has...
