The Culture Crafters is both a frightening and shocking in-depth account of how popular culture seduces and deceives todays youth. The book exposes major forces inside the American pop culture that is shaping the worldview of children and youth such as television, movies, the Internet, public policy, books, education, and music. However, the author makes it clear that the cultural battle for the next generation must be fought in the spiritual realm, not with human weapons aimed at human agendas, personalities, or organizations. The Culture Crafters encourages parents, teachers, and ministers to counteract the deception of the culture crafters with sound, practical principles from Gods Word and to employ spiritual weapons that are designed to destroy every stronghold of the real Enemy.
