Notting Hill Editions. Hardback. Book Condition: new. BRAND NEW, A Doomed Marriage: Britain and Europe, Daniel Hannan, The European project is in collapse. Far from bringing prosperity and peace, the euro has catalysed an economic crisis and stirred up national antagonisms. We can now see clearly that the intellectual basis of European integration was false. Here is an alternative vision, adumbrated from first principles: a statement of the case for national self-determination and parliamentary supremacy. Daniel Hannan is a committed European. He speaks French and Spanish, has lived and worked all over Europe, and has served in the European Parliament since 1999. He believes that the EU is making its constituent nations poorer, less democratic and less free. It is time to rediscover the virtues that raised Europe to greatness: diversity, pluralism, personal freedom, national independence and parliamentary democracy.
