Brand New Book ***** Print on Demand *****.Federal law bars aliens residing without authorization in the United States from most federal benefits; however, there is a widely held perception that many unauthorized aliens obtain such benefits. The degree to which unauthorized resident aliens should be accorded certain rights and privileges as a result of their residence in the United States, along with the duties owed by such aliens given their presence, remains the subject of intense debate in Congress. This report focuses on the policy and legislative debate surrounding unauthorized aliens access to federal benefits. Except for a narrow set of specified emergency services and programs, unauthorized aliens are not eligible for federal public benefits. The law (401(c) of P.L. 104-193) defines federal public benefit as any grant, contract, loan, professional license, or commercial license provided by an agency of the United States or by appropriated funds of the United States; and any retirement, welfare, health, disability, public or assisted housing, postsecondary education, food assistance, unemployment benefit, or any other similar benefit for which payments or assistance are provided to an individual, household, or family eligibility unit by an agency of the United States or by appropriated funds of the United States. The actual number of unauthorized .
