Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: . . . tries; and the third class is of corresponding members resident in Great Britain and Ireland. These two latter classes arc unlimited. , The society has an experimental garden at Kensington, on the south side of the road to Hammersmith, nearly opposite Hollandhouse, which is open to the fellows of the society, from two to six oclock in each day of the week, except Sundays. The management of this garden is under the direction of a committee, nominated at the first council, after the anniversary. Fellows visiting the garden have the privilege of introducing one or more friends in their company. The increasing funds of the society have enabled it to remove to a very commodious house, in which is a spacious meeting-room, in Jlegcnt-. trcct, near Waterloo-place, where proper officers are in daily attendance for transacting business. Having thus stated the objects of the society, and the principles upon which it is founded, we shall, in our future Numbers, record the most important matters which occur at its meetings, commencing with the notice of its proceedings from the anniversary of the society on the 1st of May last. 1 Art.
