## Explorer One

By D. Hellm

iUniverse. Paperback. Book Condition: New. Paperback. 132 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Project Explorer. The year is 2510, humans are living underground, using all of the Earth's surface to grow food. The United Nations has been replaced with a singular global government and nations have been replaced by states. Earth is still running out of room and food. Mars has been terraformed and contains 1.2 billion humans. The moon is used as a space station. The world government sponsors Explorer One for interstellar habitation. Explorer One is a one-way trip to populate the galaxy. The Explorer One ship, built in the Earth-Moon apogee, is as large as Jacksonville, Florida. The initial power is hydrogen, harvested from space. Power outside the solar system, in free space, is nuclear. Groups of androids are trained as research scientists. The awakening in the year 2628. There are new developments by androids while humans slept. Advanced androids expanded Explorer One, now twice the size as the one that left Earth. Androids developed an unlimited fusion power plant. The androids want a peaceful co-existence with humans. They have gained conscious awareness as a new life form. An indecipherable message is received by the orbiting...
