

The Basement Trains (a 21st Century Poem) (Paperback)

Filesize: 6.78 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

(Lucinda Stiedemann)

Moderoom Press, United States, 2006. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.The poem begins in an ancient garden in the midnight city, where a nocturnal recollection of the past begins an epic voyage traversing centuries of ideas and continents of profound imagery. The Basement Trains, Payne s greatest long poem, written when he was 28 years old, conjures up a wealth of poetic legacies: from Dante s visit to the underworld, to TS Eliot s Mind of Europe. Here, one sees William Blake, Milton, the Catholic Bible, Greek and Roman myth, Russian folklore; and, beyond this, one hears the voice of Roman Payne in its purest poetic form. This bilingual first-edition contains the superb translation into French by Aurlien Galateau. This edition is illustrated with photographic plates by the author. Published by ModeRoom Press, 2006 - Paris, France.
