TRAP THE ELF: ANYTIME OF YEAR

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. Susan Oppelt (illustrator). This item is printed on demand. Paperback. 48 pages. Dimensions: 8.5in. x 8.5in. x 0.1in. Discover elfin secrets and learn how to trap an elf anytime of year. Trap the Elf considers what magical good luck elfin might look and act like; where one might find them and how to build a trap anytime of year. It also tells a tale of what happens should you be so lucky to trap one! The overarching Trap the Elf experience begins as a picture storybook and ends in our physical world by helping spur a delightful DIY activity children can enjoy anytime of year. A blueprint of the official Elf Trap outlining how to build a trap is featured in the book. Children will also enjoy cutting out and pasting (or taping) the included elf, fairy and seasonal Elf Trap decoration extras. Susan Oppelt, an artist was inspired by a childhood memory of an elf (aka leprechaun) and engaging children 5-9 through story, art and a physical experience that they could create themselves. The art is a montage of handmade 3D characters (elfin, fairies and gnomes) using a needle felted technique and photography. This fusion creates a fantasy world that feels magical, yet something kids can relate to. As a companion to the print edition the digital book (available on iBooks for the iPad and iTunes) engages a child's imagination through interaction and takes advantage of technology. Tap to see additional images, hear atmospheric audio or play a couple simple stop motion videos as the story unfolds. Visit www.traptheelf.com for more information. This item ships from La Vergne, TN. Paperback.
