

Digital Pictures Basics: Organize, Improve, Share Your Photos Using Windows Live Photo Gallery and Windows Live Services (Paperback)

By Ludwig Keck

Createspace, United States, 2010. Paperback. Book Condition: New. large type edition. 251 x 201 mm. Language: English . Brand New Book ***** Print on Demand *****.Digital Pictures Basics is for seniors getting into the world of digital pictures but with little technical background. The book teaches the skills for using Windows Live Photo Gallery and other Windows Live Services for managing and sharing pictures. This book is easy to understand and follow, and is written with the interests and learning styles of older adults in mind. Featuring large print and easy layout, the book is organized in eight lessons for effective self-study or as a textbook for an instructor-led training course. Written in easy steps, with detailed exercises and plenty of illustrations, this manual will help you gain the skills and become comfortable in managing your pictures on your computer. This manual covers the version of Windows Live Photo Gallery that is used on Windows XP computers. The manual also describes Windows Live services that are no longer available. Users of Windows Vista, Windows 7, and Windows 8 should look for the updated version: Digital Pictures Basics 2012.
