Blue Rider Press, United States, 2015. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. I read *The Life and Death of Sophie Stark* with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story. Emma Donoghue, author of *Room* gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn't stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is not only a dissection of genius and the havoc it can wreak, but also a thunderously good story (Emma Donoghue).
