

The Measure of Things: Humanism, Humility and Mystery (Hardback)

By David Cooper

Oxford University Press, United Kingdom, 2002. Hardback. Book Condition: New. 236 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Philosophers, both western and eastern, have long been divided between humanists , for whom man is the measure of things , and their opponents, who claim that there is a way, in principle knowable and describable, that the world anyway is, independent of human perspectives and interests. The early chapters of The Measure of Things chart the development of humanism from medieval times, through the Renaissance, Enlightenment and Romantic periods, to its most sophisticated, twentieth-century form, existential humanism . Cooper does not identify this final position with that of any particular philosopher, though it is closely related to those of Heidegger, Merleau-Ponty and the later Wittgenstein. Among the earlier figures discussed are William of Ockham, Kant, Herder, Nietzsche and William James. Having rejected attempts by contemporary advocates of modest or non-metaphysical realism to dissolve the opposition between humanism and its absolutist rival, Cooper moves on to an adjudication of that rivalry. Prompted by the pervasive rhetoric of hubris that the rivals direct against one another, he argues, in an original manner, that the rival positions are...
