*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

SIMON SCHUSTER, United States, 2005. Paperback. Book Condition: New. 188 x 130 mm. Language: English . Brand New Book. Where s Nancy? Nancy was going to tell you about this big mystery, but she disappeared. Poof. Just like that. So now Bess, Ned, and me, George, have the Case of the Missing Detective on our hands. We ve got to find Nancy! Let me tell you, this sleuthing thing is no joke. We ve worked with Nancy on lots of cases, but we ve never had to do it ourselves -- and the stakes have never been so high. We think this might have to do with that possible museum theft Nancy was talking about -- we re just not sure yet. But we re woking on it. Wish us luck!.
